

# INDEPENDENCE DAY 2020

## PROTECT HER UNALIENABLE RIGHT TO LIFE

**W**ithout life, there can be no liberty, or happiness to pursue. That is why our founding fathers listed life as the first of our unalienable rights, under God.

Tragically this most basic right —our right to life — has been denied to **more than 61 million preborn babies in America since the legalization of abortion in 1973**. Right here in Pennsylvania, we lose **OVER 30,000 PRECIOUS BABIES EVERY YEAR!**

Today, the lives of vulnerable elderly and disabled Americans are also threatened by the growing push for **eugenics** and **doctor-prescribed suicide**.

As we celebrate our freedoms this Independence Day, we must keep working and praying that every human life will be protected under the law, as our forefathers intended.

**You can help protect these innocent victims from abortion and the threat of euthanasia in our state and nation.** First, please *pray* that the right to life will be restored for all human beings in our nation. Secondly, *volunteer* with a pro-life group in your area or *donate* to a pregnancy resource center. Thirdly, *reach out to elected officials* on legislation regarding life issues. **Let your voice as a citizen be heard.**
