

Un-masking Planned Parenthood: The Truth Revealed

- Planned Parenthood is the **largest provider of abortions** in the United States, performing **380,000+** abortions annually. That is one abortion **every 97** seconds.
- Abortions make up **97%** of Planned Parenthood's pregnancy resolution services.
- For every adoption referral, Planned Parenthood performs **198** abortions.
- All other services, including prenatal, cancer screening, and contraceptives **have steadily dropped (-21.4%)** as well as the number of total patients, while **abortions have increased.**
- Planned Parenthood offers **abortion pills** through **telehealth** without any in-person examination, putting young women at increased risk of injury and death.
- Taxpayer funding of Planned Parenthood through government grants, contracts, and Medicaid reimbursements exceeds **\$630 million dollars** per year, making up **37%** of their overall revenue.
- Margaret Sanger, the founder of Planned Parenthood, was a **racist** and **eugenicist** who advocated "weeding out the unfit" and sterilizing "population whose progeny is already tainted."
- **79%** of Planned Parenthood abortion facilities are located in **minority** neighborhoods, contributing to the much higher rate of abortion among African-Americans (5X) and Hispanics (3X).
- Undercover videos by the Center for Medical Progress reveal top Planned Parenthood officials negotiating **the sale of aborted baby body parts** to tissue collection agencies.
- Former Planned Parenthood workers report **abortion quotas** to be met and an **aggressive sex education program** that encourages students to seek their services.

There's always a reason to choose life.™
