

# SANCTITY OF human life SUNDAY

JANUARY | 19 | 2025

“Before I formed you in the womb I knew you, before you were born I dedicated you...”

*Jeremiah 1: 5*

All human life has inherent dignity because we are made in the image of God. Abortion is the violent and unnatural ending of an innocent life that is fully human and growing in the sanctuary of the womb.

In Pennsylvania, over 95 babies die by abortion every day!

Abortion violates the sanctity of both the unborn baby and the mother who carries her in the womb. Post-abortive women suffer from higher rates of depression, suicide, addiction, and substance abuse and many feel coerced into the abortion.

*from conception...*
