

# INDEPENDENCE DAY

## LIFE, LIBERTY, AND THE

## PURSUIT OF HAPPINESS

**W**ithout life, there can be no liberty, or happiness to pursue. That is why our founding fathers listed life as the first of our unalienable rights, under God.

Sadly, today this most basic right — our right to life — is being eroded. **Since 1973, more than 65 million pre-born babies in America have been killed as a result of legalized abortion.** Right here in Pennsylvania, we lose **OVER 30,000 PRECIOUS BABIES EVERY YEAR!**

Today, the lives of vulnerable elderly and disabled Americans are also being threatened by the growing push for eugenics and doctor-prescribed suicide.

As we celebrate our freedoms this Independence Day, we must keep working and praying that every human life will be protected under the law, as our forefathers intended.

**You can help protect these innocent victims from abortion and the threat of euthanasia in our state and nation.** First, please pray that the right to life will be restored for all human beings in our nation. Secondly, consider volunteering with a pro-life group in your area. Thirdly, reach out to elected officials on legislation regarding life issues. Let your voice as a citizen be heard.

*“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.”*
