ARE A MOTHER AND CHILD WORTH YOUR VOTE ON NOVEMBER 3?

NOVEMBER 3, 2026 ★ GENERAL ELECTION

This voter's guide has been prepared by the Pennsylvania Pro-Life Federation for those who believe that the killing of 1 million preborn children a year and the harming of mothers by abortion are priority issues when voting. On **November 3, 2026**, voters in PA will have a unique opportunity to stand up for life with their vote at this critical time in our nation's history. If you do not know your Congressional, state Senate, or state House district numbers, call your county election bureau (number on back), give your address and the bureau will give your district voting information.
